THE SCRIPT — say it like this, every door

KNOCK: "Good morning, are you [owner name]? My name is Carlos, I'm with Miami Solutions Group. I'm not selling you anything and I'm not from the bank."

WHY YOU'RE THERE: "The bank filed a foreclosure case on this house in the county records. There's no auction date yet, and that's actually good news, that's why I came now instead of later."

THE ONE QUESTION: "What happened with the house?" — then STOP TALKING. Let them answer. That answer is the whole visit.

WHAT WE DO: "There are five ways out of this: catch up what's behind, a loan modification, a short sale, sell it privately before it ever goes to auction, or bankruptcy. Which one fits depends on your numbers. Jose does this every day and it costs you nothing to talk."

CLOSE: "What's the best number for Jose to call you?" — GET THE NUMBER. That is the win. You are not closing a deal at the door.

NEVER SAY

- **Never** "I can stop the foreclosure" or "we can save your house" — that promise is the one Florida law punishes (FS 501.1377 / MARS Rule).
- **Never** ask for money. Not at the door, not ever. We charge nothing up front.
- **Never** say we're the bank, a lawyer, the county, or a "rescue" company.
- **Never** quote a dollar figure that isn't printed on the card. If they ask what they owe: "I don't want to guess, Jose will pull the exact numbers."

- They say **stop / not interested / don't come back** → you leave, and you text Alex so it gets recorded. That address never gets contacted again.
- Don't discuss their foreclosure with a neighbor, a tenant, or anyone who isn't the owner.

✅ **WRITE THIS DOWN AT EVERY DOOR**

- Best phone + best time to call | what happened with the house
- Are they still living there? Anyone else on the deed? Listed with a realtor?
- Nobody home → leave the card, mark NH on the line, keep moving.

PHONE ON THE CARD? Call it on the way — "I'm around the corner, I was going to stop by" beats a cold knock.
