

Carlos — Pre-Foreclosure Door Book

Case status verified 2026-08-10. DO NOT USE THIS BOOK AFTER 2026-08-24 — ask Alex to reprint. Cases get dismissed, reinstated and sale-dated every week, and the card in your hand is a snapshot, not live. 203 doors · 19 sections · dismissed and closed cases were removed at print time.

SAY THIS FIRST, WORD FOR WORD, AT EVERY DOOR:

"Miami Solutions Group is not associated with the government, and we are not approved by the government or your lender."

This sentence is not optional and it is not small talk. It is the line that keeps this legal. Say it before anything else.

💬 THE SCRIPT — say it like this, every door

KNOCK: "Good morning, are you [owner name]? My name is Carlos, I'm with Miami Solutions Group. We are not associated with the government and we are not approved by the government or your lender. I'm not selling you anything."

WHY YOU'RE THERE (read the plaintiff name OFF THE CARD, don't say "the bank"): "There's a foreclosure case filed on this address by [name printed on the card], as of the date on my sheet. I came now because of where the case is, not because anything is due today."

THE ONE QUESTION: "What happened with the house?" — then STOP TALKING. Let them answer. That answer is the whole visit.

WHAT WE ACTUALLY DO (this is the whole offer — do not add to it): "We buy houses in this situation, or we help people sell before the auction date. That's it. If you want to keep the house or fight the case, that's your own attorney's call, not ours — and there are free HUD-approved housing counselors for that, I can write the number down for you."

CLOSE: "What's the best number for Jose to call you?" — GET THE NUMBER. That is the win. You are not closing anything at the door.

IF THEY PUSH FOR MORE: "I don't want to guess and give you wrong information. Jose knows the details and it costs nothing to talk to him."

— NEVER SAY — these are the ones that create real liability

- **Never** "I can stop the foreclosure" / "we can save your house." That promise is exactly what Florida law punishes (FS 501.1377) — and it is the fastest way to turn a knock into a lawsuit.
- **Never** offer or discuss a **loan modification**, a **short sale** as our service, or **bankruptcy**. Negotiating those for a fee needs licenses we don't have, and telling someone to consider bankruptcy is legal advice from a non-lawyer. Say "that's for your attorney or a HUD counselor" and move on.
- **Never** ask for money, a deposit, or a signature. We charge nothing up front, ever.
- **Never** say we're the bank, a lawyer, the county, or a "rescue" company.
- **Never** quote a dollar figure that isn't printed on the card.
- **Never** say "there's no auction date." Say "*as of when we checked, no sale date was set.*" The case can change after this book is printed.
- They say **stop / not interested / don't come back** → you leave, and you text Alex the same day. That address is done permanently.

WHO ANSWERS THE DOOR

- **The owner on the card** → run the script.
- **Someone else (tenant, family, roommate)** → do NOT mention foreclosure, a case, a bank, or money. Say only: "I'm looking for [name] about the property. Is there a good time or a good number?" Leave a card. Walk away. Saying why to the wrong person is a privacy problem.
- **They say the owner died** → "I'm sorry, I didn't know." Do not discuss the case. Ask only who is handling the estate and how to reach them. Text Alex. Several cards in this book are marked ESTATE for exactly this reason.
- **Nobody home** → leave the card, mark NH on the line, keep moving. Never look in windows, never go into a back yard.

WRITE THIS DOWN AT EVERY DOOR

- Best phone + best time to call | what happened with the house
- Are they still living there? Anyone else on the deed? Listed with a realtor?

PHONE ON THE CARD? Call it on the way — "I'm around the corner, I was going to stop by" beats a cold knock.

🛡️ SAFETY, HOURS AND AUTHORITY — read before the first door

JOSE: ask Alex for the cell | **ALEX:** (786) 631-1823 | **Emergency: 911 first, then Alex.**

- **Hours:** 9:00 AM to 7:00 PM only. No Sundays. Never after dark.
- **Carry photo ID and an MSG card.** If anyone asks who you are, show both, no argument.
- **NO SOLICITING sign** → do not knock. Mark NS and move on. It is not worth the complaint.
- **Never** open a gate, enter a yard past a closed gate, pass a dog, or knock on a door that is standing open. Never step inside a house, even if invited — talk on the porch.
- **Hostile person:** "Sorry to bother you, have a good day." Turn, walk to the truck, leave. Do not explain, do not argue, do not go back. Mark DNC and text Alex.
- **Police show up:** be polite, hands visible. "I'm with a private company doing door-to-door contact from public court records. Here's my ID and my list." If they ask you to leave, leave immediately. Call Alex right after.
- **PERMITS:** several cities in this book (Homestead, Florida City, Hialeah, Hialeah Gardens, Miami Beach, Sunny Isles, Aventura, North Bay Village, Miami Gardens) can require a solicitor or canvasser permit. **Ask Alex before working a section in those cities.** A permit question at the door is answered with "let me check with my office" — then leave.
- **Gated buildings / condos:** do not talk your way past a front desk or follow someone in. Leave a card with the desk if they take it, otherwise skip it and mark GATED.
